**RE: Crystal Ibarra**

To Whom It May Concern:

I am pleased to recommend Crystal Ibarra for employment with your law firm.

Crystal has been not only my legal assistant for the past two years, but my paralegal consultant as well. She has handled everything for me from immigration, family law and bankruptcy matters.

Undoubtedly, Crystal's greatest asset is her affable manner. She consistently deals with difficult, and sometimes unpleasant, clients graciously and professionally. She is extremely efficient and well organized. I have never known anyone as competent as her.

I am sure you will find Crystal a competent, dependable, and loyal associate as I have found her to be.

Very truly yours,
